### About IMAX Corporation

IMAX Corporation is one of the world's leading entertainment and technology companies, specializing in the creation and delivery of premium, awe-inspiring entertainment experiences. With a growing suite of cutting-edge motion picture and sound technologies, and a globally recognized entertainment brand, IMAX is singularly situated at the convergence of the entertainment industry, innovation and the digital media world. The industry's top filmmakers and studios are utilizing IMAX theatres to connect with audiences in extraordinary ways, and as such, the IMAX network is among the most important and successful theatrical distribution platforms for major event films around the globe. The Company's new digital projection and sound systems - combined with a growing blockbuster film slate - are fueling the rapid expansion of the IMAX network in established markets such as North America, Western Europe, and Japan, as well as emerging markets such as China and Russia. IMAX theaters deliver the world's best cinematic presentations using proprietary IMAX, IMAX 3D, and IMAX DMR (Digital Re-Mastering) technologies. IMAX DMR enables virtually any motion picture to be transformed into the unparalleled image and sound quality of The IMAX Experience.

IMAX is headquartered in New York, Toronto and Los Angeles, with offices in London, Tokyo and Shanghai. As of September 30, 2010, there were 470 IMAX theatres (348 commercial, 122 institutional) operating in 45 countries.
