

Disney's John Carter Lands In IMAX (R) THEATRES March 9

March 8, 2012

3D Action Adventure to Open in 484 IMAX® Theatres

Los Angeles, CA – Mar. 8, 2012 – IMAX Corporation (NYSE:IMAX; TSX:IMX) and Walt Disney Studios Motion Pictures today announced that *John Carter*, the action adventure film from Academy® Award-winner Andrew Stanton, will be released in the immersive IMAX® 3D format on Friday, Mar. 9. Based on a classic novel by Edgar Rice Burroughs and starring Taylor Kitsch, Willem Dafoe and Lynn Collins, the film will open in 290 IMAX® theatres domestically, simultaneous with the film's North American wide release. The movie will also open in 194 IMAX® theatres internationally, 115 of which will open on Friday, Mar. 9, with the additional runs debuting over following weeks. Additional playdates will be added as pending bookings are confirmed.

John Carter: An IMAX 3D Experience has been digitally re-mastered into the unparalleled image and sound quality of The IMAX Experience® through proprietary IMAX DMR® technology. With crystal clear images, laser-aligned digital sound and theatre geometry that maximizes field of view, IMAX provides the world's most immersive movie experience.

About John Carter

From Academy Award®-winning filmmaker Andrew Stanton comes "John Carter"—a sweeping action-adventure set on the mysterious and exotic planet of Barsoom (Mars). "John Carter" is based on a classic novel by Edgar Rice Burroughs, whose highly imaginative adventures served as inspiration for many filmmakers, both past and present. The film tells the story of war-weary, former military captain John Carter (Taylor Kitsch), who is inexplicably transported to Mars where he becomes reluctantly embroiled in a conflict of epic proportions amongst the inhabitants of the planet, including Tars Tarkas (Willem Dafoe) and the captivating Princess Dejah Thoris (Lynn Collins). In a world on the brink of collapse, Carter rediscovers his humanity when he realizes that the survival of Barsoom and its people rests in his hands.

About IMAX Corporation

IMAX Corporation is one of the world's leading entertainment and technology companies, specializing in the creation and delivery of premium, awe-inspiring entertainment experiences. With a growing suite of cutting-edge motion picture and sound technologies, and a globally recognized entertainment brand, IMAX is singularly situated at the convergence of the entertainment industry, innovation and the digital media world. The industry's top filmmakers and studios are utilizing IMAX theatres to connect with audiences in extraordinary ways, and as such, the IMAX network is among the most important and successful theatrical distribution platforms for major event films around the globe. The Company's new digital projection and sound systems - combined with a growing blockbuster film slate - are fueling the rapid expansion of the IMAX network in established markets such as North America, Western Europe, and Japan, as well as emerging markets such as China and Russia. IMAX deliver the world's best cinematic presentations using proprietary IMAX®, IMAX 3D®, and IMAX DMR® (Digital Re-Mastering) technologies. IMAX DMR enables virtually any motion picture to be transformed into the unparalleled image and sound quality of The IMAX Experience®.

IMAX is headquartered in New York, Toronto and Los Angeles, with offices in London, Tokyo, Shanghai and Beijing. As of December 31, 2011, there were 634 IMAX theatres (497 commercial multiplex, 20 commercial destination and 117 institutional) in 50 countries.

IMAX®, IMAX® 3D, IMAX DMR®, Experience It In IMAX®, An IMAX 3D Experience® and The IMAX Experience® are trademarks of IMAX Corporation. More information about the Company can be found at www.imax.com.
